The Archdiocese of Regina Lay Formation Program Mission-Discipleship-Service-Faith

"I see how graduates from the program have become more involved in the life of the parish: be it on pastoral council or one of the committees such as liturgy or social justice, etc. I have witnessed their faith grow from before they entered to the time of their graduation and how they become more in tune with their faith. In many ways you can see how they have fallen in love with the Lord and with his Church." - Fr. Stephen Bill, Christ the King Parish, Regina.

One weekend per month from October until June, Catholics who want to know, love and serve Christ more deeply come together at Campion College in Regina. Are you ready to fall more deeply in love with Jesus Christ and his Church? We are currently accepting applications for the Fall intake of this three-year program. Stewardship Bulletin Bit

"Did not God choose those who are poor in the world to be rich in faith and heirs of the kingdom that he promised to those who love him?" James 2:5

What is more important – being rich in faith or rich in possessions? Society teaches us that possessions are most important. God teaches a different lesson. When we are rich in faith, we keep God first in all things and realize that material things really don't matter and that it's more important to share with those who have less.
