Easter Triduum

The following are suggestions for hymns which can be used during the Triduum celebrations. Note that these celebrations include various special sung responses beyond the usual sung Mass parts and there are additional psalms and chants, such as those used during the Vigil. These are noted in the Catholic Book of Worship as well as other sources. Music ministries must be well prepared to lead the assembly in fully participating in this celebration of the Lord's passion, death and resurrection!
