The Archdiocese of Regina Youth Ministry office is working to establish a "small group ministry" specifically for young adults. Please contact us if you are interested in being part of a small community (about 10-15) people who are in a similar place in life as you are and are seeking to grow in faith. Small groups will meet weekly or bi-weekly (depending on the decision of the group) and will gather in people's homes to build community, learn, pray and socialize. If you are interested in being part of such a group, please contact Michelle Braden at mbraden@archregina.sk.ca or by calling 306-352-1651 ext. 223.

TF128: Overpopulation - Is It Really A Thing?

You've probably heard that the planet is grossly overpopulated. Or is it? A recent WIRED magazine article examined a very different perspective presented in a new book by Darrell Bricker and John Ibbitson called Empty Planet. The same week, Hungary announced that it is waving income tax requirements for ALL mothers in an attempt to turn their own declining numbers around. That's prompted Eric and Brett to ask "Is overpopulation still a thing?" This week on Thinking Faith!

Stewardship Bulletin Bit

"A good tree does not bear rotten fruit, nor does a rotten tree bear good fruit." (Luke 6:43)
Are you using your God-given gifts in the way God intended? Do you compare yourself to others and complain about what you don't have instead of being thankful for what you do have? God gives each of us unique gifts and a unique plan. Listen to how God is calling you to use your gifts, to bear good fruit, for the glory of His name.

39th Annual Nash Lecture: Reconciliation in the Age of Rage

Wed., March 13, 2019 at 7:30 pm
Campion Auditorium

We live in an “age of rage.” Shifting social, economic, and religious paradigms seem to lead to deepening rifts and increased tribalism among persons and groups. In the midst of this, the Society of Jesus reaffirms its mission of “the service of faith and the promotion of justice” with a renewed emphasis on the need for reconciliation: reconciliation with God, with other people, and with creation. The lecture is free, open to everyone and there is free parking on the campus in the evening.
