

ABOUT THE EXHIBIT

The exhibit was organized by the Truth and Reconciliation Committee of the Archdiocese of Regina and funded by the Indigenous Reconciliation Fund,

It is in recognition of the role that the Roman Catholic Church played in the operation of Indian Residential Schools and the harm these institutions brought to generations of Indigenous peoples.

It is hoped that this project will help to raise awareness that we are all Treaty People. We are called to work together as Indigenous and Non-Indigenous citizens of Canada in building a society that is based on Truth and Reconciliation.

Igniting the Spirit of Reconciliation: 94 Calls to Action

"The 94 Calls to Action are actionable policy recommendations meant to aid the healing process in two ways: acknowledging the full, horrifying history of Indian Residential Schools system to prevent these abuses from ever happening again in the future" *(National Truth and Reconciliation Commission Report, 2015)*

These works were created by the students of Balcarres Community School (90) and Vibank Regional School (4), with the guidance of Michele Schwab (teacher) and Holly Yuzicapi (artist), to address these calls and bring them to light to be enacted upon.
