

## SOLIDARITY VISIT

This Lent, we are delighted to welcome **Padre Dario Bossi**, a Comboni Missionary who was the coordinator of the *Iglesias y Minería* ecumenical network, and an advisor to the National Conference of Bishops of Brazil and the Pan-Amazonian Ecclesial Network. In his capacities as parish priest for the community of Piquiá de Baixo and coordinator of *Justiça nos Trilhos*, Padre Dario dedicated his life to accompanying and defending communities along the Carajás rail corridor that are affected by mining and industrial pollution and other social injustices.
