Dying with Christ - Living with Hope

Dying with Christ – Living with Hope is a faith-filled program that speaks to one of the most important topics of our human experiences. Led by theologians and Christian healthcare professionals, this series offers meaningful insight into suffering, grief, dying, the duty to care, and how we can enter more deeply into the Christian hope of dying with Christ.

CMDA Canada is offering three live online opportunities to participate in this three-session series. Participants will not only experience the program firsthand but will also be equipped to bring it to their own communities, parishes, and ministry settings. A Chance to bring Christ's message of hope to our world.

Spring 2026 Online Series Options:

- Thursday, April 23, 30, & May 7 — 6:00 pm CT
- Tuesday, May 19, 26, & June 2 — 7:00 pm CT

Stewardship Bulletin Bit

"This man God raised on the third day and granted that he be visible, not to all the people, but to us, the witnesses chosen by God in advance, who ate and drank with him after he rose from the dead." Acts 10:40-41

The first disciples were people who witnessed the risen Christ in the flesh. The author of Acts emphasizes that they ate and drank with the risen Christ. How we take care of each other "in this life" is an important part of our spiritual life. Stewardship is not about having pious thoughts, but about making life better for others in the flesh.
