

"Children are sent to us as a rain of souls, as a wealth and a promise that can always be fulfilled, but that needs our efforts in bringing about that fulfillment."

5. To deepen the participant's ability to observe and learn from children.

What if every child could have time and space specially set aside for an encounter with Christ?

The Catechesis of the Good Shepherd is a time-tested approach to faith formation. Rooted in the pedagogy of Maria Montessori, it feeds the deepest needs of children, allowing each one to get to know God personally.

In a peaceful atmosphere, through the use of special materials designed just for them, children hear the Word proclaimed and grow in their relationship with God.

The most essential treasures of the Christian faith, from scripture and liturgy, touch the heart of each child and lead to deep contemplation, prayer, and joy.

About the Course

HOW DOES IT WORK?

Catechist formation in the CGS method is like a retreat: a time set apart to listen to the voice of the One who calls us each by name. Adults enter training seeking a way to share the faith with children. When they encounter the face of God that the young child most responds to, they discover that their own relationship with God has deepened. This is why we call it “formation” rather than simply “training”.

WHAT WILL YOU LEARN?

Catechist formation in CGS engages hand, head, and heart, immersing the adult in:

- Scripture
- Liturgy
- Theology
- Prayer
- the needs and spiritual growth of the young child
- making and using atrium materials

Each course is a minimum commitment of 90 hours, with readings and written work required. The three levels must be completed in sequence.
