Welcome Back

As a new school year begins, we are excited to welcome students back to our classrooms, hallways, and learning communities. Whether you are returning to a familiar school or starting somewhere new, we are glad you are here. A new year brings new opportunities to learn, grow, build friendships, and discover what is possible. We look forward to supporting you, celebrating your successes, and helping you reach your goals. Together, we will make this a year of growing in excellence.

Rooted in Faith

We have a new theme. For the next three years, we will focus on being “Rooted in Faith.” Each year has a core message, and the 2026-2027 school year’s message is “Growing in Excellence.” A new school year presents many opportunities for growth and a chance to look ahead at all the possibilities. While success looks different for each child, we are blessed to be part of their growth, and we will all remain rooted in our Catholic faith.

Strategic Plan

This year also marks the launch of our new Strategic Plan, which will guide our work over the next three years. Built through listening, learning, and collaboration, the plan reflects our commitment to student success, faith formation, and strong relationships. As we move forward together, it will help shape our priorities and keep us focused on supporting every student as they learn, grow, and thrive. Please watch for the release of this new plan early this school year.
