No one should feel pushed toward MAiD.

How MAiD is discussed matters.

Sign your name to support Saskatchewan MAiD protections

1 Protect Patients

Remove pressure and coercion around MAiD, so the patient raises it first.

2 Protect Healthcare Providers

Providers who choose not to take part in MAiD should not face professional or legal repercussions.

Your signature matters.

EVERYONE

Share your story

Unsolicited offers, repeated questions, or pressure. Patients, families, professionals and students can all share by Nov. 23.

Kept confidential. Your story is evidence.

HEALTHCARE PROFESSIONALS & STUDENTS

Add your name

Physicians, nurses, pharmacists, spiritual care providers, students, trainees and other healthcare professionals can sign a separate statement of support online by November 23.

300 names is our goal.

YOUR NAME WILL BE KEPT CONFIDENTIAL.

SASKATCHEWAN RESIDENTS

Sign the petition

An original signature is required, so there is no online petition. Other locations are listed on our website.

2,500 signatures is our goal.
