Archbishop's Appeal

In today's Gospel, Jesus shares the parable of the talents, reminding us that God has blessed each of us with unique gifts and calls us to use them faithfully. What matters is not how much we have, but how generously we share what has been entrusted to us. The woman in Proverbs shows us the beauty of using our gifts with compassion and care for others. May we remain open to God's call, recognizing the blessings in our own lives and seeking ways to use them to bring hope and goodness to those around us.

Stewardship Bulletin Bits

"Well done, my good and faithful servant. Since you have been faithful in small matters, I will give you great responsibilities." - Matthew 25:21
God calls us to nurture and develop the gifts He has given us and then generously return a portion with increase. He doesn't want us to waste or hoard the gifts He has given us. He expects us to grow our gifts, to use them wisely, and to be generous with them. Unfortunately, many of us are not generous in proportion to all that God has given us. God asks us to be generous with all our gifts, especially the one that means the most to you.

Pope's Prayer Intentions: November
For Proper Use of Wealth

Let us pray for the proper use of wealth, that not succumbing to the temptation of selfishness, it may always be put at the service the common good and solidarity of those who have less. popesprayer.va/praywiththepope/
